

Yellowstone National Park Cipher Code

Can you help the Jones family solve this Yellowstone cipher code mystery?

What is 121 feet deep, 331 feet wide, extremely hot, contains yellow, brown and green organisms called thermophiles and is one of the most stunning hydrothermal features in Yellowstone National Park?

Use the cipher decoder table below to convert each cipher letter into a plain letter to get the three word answer. The first two letters of the first word in the answer box have been done for you.

Cipher Code:

D	O	X	K	A
G	R			

M	O	F	P	J	X	Q	F	Z

P	M	O	F	K	D

Answer:

Cipher Decoder Table

Plain letters:

A	B	C	D	E	F	G	H	I	J	K	L	M	N	O	P	Q	R	S	T	U	V	W	X	Y	Z
X	Y	Z	A	B	C	D	E	F	G	H	I	J	K	L	M	N	O	P	Q	R	S	T	U	V	W

Cipher letters:

(Hint: Use this table to convert each letter of your cipher code to the plain letter above each cipher letter. Write the decoded answer in the three sets of boxes above labeled “answer.”)

If you decode this message, you’re ready to help the Jones family on their next national park mystery.

Coming May, 2023: *Time Traveling Through Yellowstone National Park* Paperback • \$9.99 • Published by Beaufort Books • fiction • 200 pages • Age Range: 8 – 12 • Grade Range: 3 – 7 • illustrations & maps • Curriculum Guide • Discussion Questions • written by Jeff Alt and illustrated by Hannah Tuohy

In the fifth book of this award-winning National Park series, Tommy “Bubba Jones” and his sister, Jenny “Hug-a-Bug,” uncover amazing facts about Yellowstone National Park while on a mission to solve a park mystery. This is no ordinary brother and sister duo; they are part of a legendary time-travel family with a mission to preserve and protect our national parks and they have developed a reputation for solving mysteries. As they time travel hundreds, thousands, and millions of years, they not only learn about the past but also experience it. They encounter wild creatures, ancient plants, meet members of the early park expeditions, encounter the U.S. Army who once served as the park stewards, they learn about the Native Americans who call this land home, they learn all about the volcanic activity beneath the park and unravel some of the park’s secrets. Discover Yellowstone National Park in a whole new way. www.bubbajones.com

“The story is very detailed, including facts about animals, explorers, even which presidents have visited. A very pleasant way to explore the National Parks. I know I plan to take the book with me next time I go to Yellowstone.”

—Brenda, Log Cabin Library blog
